

Mrs Gay Brown<sup>1</sup>  
Private Tutoring  
Perth, West Australia

6th December 2006

My family and I<sup>2</sup> would like to sincerely thank you for your time devoted to cultivate the English Language skills in our brains during April-December 2006. We remain speechless to thank you for the good days we have had with you.

Your tutoring has been exceptionally fruitful to compliment the day-to-day schooling system. All family members have gained the confidence with the English language. Few of the achievements are to include:

- The wife, Maryam, is now able to understand the English conversation, and build the confidence in the speaking part of it. This is an achievement as Maryam never spoke English before coming to Australia.
- Sarah (9 years old), Ahmad (7.5 years), and Osamah (6 years) are all able to freely speak, read and write English, in line with their schooling years.
- The enthusiasm developed by the kids to attend your lessons (can't believe kids would always look forward to coming to your house, could not figure out the magic)

The success of this was possible due to your dedication and integrity towards delivering the best possible learning environment, so all have effectively made use of the allocated timing. Few of the effective noticeable methods are<sup>3</sup>:

- The teaching environment set up was good: being your house with dedicated learning table, and stationeries.
- Your advanced lessons preparations were just excellent to suit the individual needs and to compliment the schooling system. Yes including Osamah when at the beginning thought he would not be receptive to learning.
- The use of various learning materials was very suitable. Exemples, videos, tapes, educational cards, printout, etc. ....
- Various learning activities to practice communication were effective. Examples, games with family members, drawing, etc ...
- Your patience with the students was useful. Certainly it is not easy dealing with youngsters, and yet able to deliver the English lessons

Most importantly, the fees are very reasonable. The amount paid is well deserved, earned, and worth every single penny of it.

Last but not the least; we value very much your respect to other cultures. Indeed you and your husband are non-forgettable friends to the family. I would like to take the opportunity to extend an invitation for you to visit us in our home country Oman in the near future.

Once again, thank you Mrs Brown, and look forward to seeing you in the future.

We will all miss you.
