TO WHOM IT MAY CONCERN.

Reference – Ms Gay Brown

We have known Gay BROWN since 1998 and she has taught our children Ashlee and Kirsten since this time

Gay was recommended to us, as she formally taught at the Jakarta International School in a relieving capacity in the primary school, where our children attend school.

From 1998 to 2001 Gay taught our eldest daughter, Kirsten after school with reading and comprehension and mathematics and improved quickly under Gay's tutelage.

Our daughter Ashlee from age 6 to age 8 visited Gay weekly after school for additional tuition on reading and mathematical skills. Ashlee enjoyed her time with Gay and looked forward to her weekly sessions with her. We found that Ashlee improved her reading comprehension and her maths skills following her time with Gay.

Gay is a kind, enthusiastic and experienced teacher whom we relied on over an extended time to provide additional scholastic coaching to our children. We entrusted Gay with responsibility of looking after our kids during there time there and we always knew they would be in good hands.

We would be happy to answer any questions as to Gay's validity as a teacher and can be contacted at the above number.

Thankyou for your co-operation in this matter.

Yours Sincerely

David Malligan
