Dear Gay,

In the last 6 months, since Tatshana has been coming to you, her confidence has improved. Tatshana is more willing to try to read and write more.

Her school teachers can see the difference in her ability to participate in ^{the} classroom. I think we were very lucky in finding you at the right time.

As a person Gay Brown is patient and caring. Gay is also eager for her students to learn. Pity there weren't more teachers in schools like you.

We can't thank you enough for all your help.

Yours sincerely,
Hazel Browne.
