## LETTER OF REFERENCE

This is to certify that Mrs Gay Brown was tutor to our three children then 13 years old, 8 years old and 4 years old between 1997 and 1998.

Mrs Gay Brown has proven to be a dedicated and committed teacher who had not once convened a class without prior preparation or prepared materials at hand. During the course of our contract we were totally satisfied with our children's progress and they had benefitted much from her.

It was indeed very sad that we had to say goodbye to Mrs Brown as we were being relocated back to our home country, Malaysia.

We strongly recommend Mrs Gay Brown to any teaching position. We can be contacted at:-
