Testimony for Mrs Brown Private Tutor

Mrs Brown tutored our three children, aged 12, 10 and 8 for five weeks while we were having a short stay in Perth. Their lessons were three hours daily, conducted at Mrs Brown's house. The children were always eager to attend their classes and were reluctant to leave at the end of each session.

Mrs Brown managed to fit an exceptional amount into each session without making learning a chore. Each lesson comprised of formal classes, activities, art and craft, exercise and play, all of which was educational and enjoyable.

We were very impressed by the vast amount of resources, ideas and variety Mrs Brown uses in her lessons as well as the enthusiasm, attentiveness and professionalism in which they were conducted.

Our children really miss Mrs Brown and her lessons, they still keep in contact via email and she is still fondly mentioned and thought of.

We would be more than happy to recommend Mrs Brown as a Private Tutor without hesitation.
