

To Whom it may Concern,

I am writing to recommend Gay Brown for Personal Tutition. I have known Gay for 4 years and she is highly qualified candidate for the position. She was very flexible with me and my language difficulties and taught me very valuable English skills which have helped me to gain fulltime employment and be a part of the general community.

Gay would be a tremendous help to any foreigners and children struggling with language difficulties and I recommend her to you without reservation. If you have any questions, please do not hesitate to contact me.
